Signature Experiences

By combining uniquely crafted moments of wonder, thrilling entertainment, and pure tropical luxury, our resorts are designed to tantalise the senses and excite the explorer within.

Wow Welcome

To hear the echo of a conch shell is to know you've arrived. The 'Blowing of the Conch' has now become a tropical tradition we extend to new faces and old friends. Then awaiting guests upon the jetty, Sun Siyam's signature pop-up cocktail bar, Bar-Ception, replaces the tropes and traditions of the usual check-in experience.

Maldivian Roots

Experience the vibrant cultural tapestry of the Maldives with captivating moments and weekly events that epitomise the essence of our island heritage. From cooking masterclasses to Bodu-beru performances, Maldivian Roots is a spirited celebration of Maldivian culture.

Cinema By Moonlight

Experience cinematic magic upon a moonlit lagoon or the sandy shore with Sun Siyam's Cinema by Moonlight. Climb aboard one of our fully-furnished Maldivian dhoni and settle in for an intimate, floating movie night.

Secret Sundowners

Each day, weather permitting, a creatively styled pop-up bar will emerge across ever-changing, clandestine locations throughout each island to unveil the afternoon's featured concoction.

Insta Villa

For when you can't go all in, but still want a little taste of top-shelf luxury, our Insta Villas are the answer. Making the most of our most luxurious villas at an hourly rate during quieter periods, Insta Villas is a novel way for guests to experience the best of Sun Siyam's tropical portfolio.

Ice Blocks on the Go

Guests can choose from a curated selection of health-conscious ice-blocks made from authentic local ingredients served from a tricycle, and savour a moment to cool off in an unexpected corner of paradise.

Plant-based Bliss

Embracing a more conscious culinary vision, Sun Siyam is proudly committed to promoting the nutritional and holistic benefits of vegan and vegetarian dining. Moving forward, we're ensuring each of our restaurant's menus will be composed of a minimum of 30% plant-based options.

Treasure Hunt

Each day, based on availability, one lucky guest will have the chance to win a surprise. But they'll have to find it first. Our Hidden Treasure chest lies in wait, in elusive and every-changing locations across the island.

The surrounding water is a deep blue, with a lighter turquoise ring indicating the shallow reef edge. The sky is filled with soft, white clouds. The airplane's wing and part of the fuselage are visible in the upper left and lower left corners of the frame.

Photography & Videography

Enhancing our MICE experiences even further is our resident photographer, dedicated to capturing every highlight of your gathering. Whether it's a high-level strategy session, a beachfront gala dinner, or a milestone celebration, they blend seamlessly into each event to document the energy, connections and achievements that define your time with Sun Siyam.
