Categories of Winning

Throughout Easter, standout stories are selected daily from shared entries that beautifully capture the spirit of Siyam World. Posts that reflect authentic guest experiences, embrace the Easter atmosphere, and express creativity through engaging storytelling are given special consideration. Each day celebrates those who truly bring the destination to life through their lens.

At the end of the celebration, one Grand Winner is chosen from all eligible entries submitted during the campaign period. This story will shine for its originality, emotional connection, and the way it captures the essence of Siyam World in a memorable and inspiring way.

After Easter, the journey continues as shortlisted finalists are presented to the community for the Fan Favourite selection. Through audience engagement, whether via likes, story polls, or similar interactions, one story will rise as the people’s choice, celebrated for resonating most with fellow dreamers and explorers.

Step into The Oz World Challenge and capture your magical Easter moments at Siyam World. Share your experience, tell your story, and let your creativity take you all the way to 2027.

Live it. Capture it. Share it.

Thoughtfully chosen to elevate the stay, these rewards celebrate the joy of living the moment at Siyam World.
