ABO

DJ & Music Producer

@abo__

Dubai based DJ and music producer ABO has steadily built a name for himself through a sound defined by energy, rhythm, and a strong connection with live audiences. His journey began at Terra Solis, where his performances quickly caught the attention of management, leading to regular appearances for weekly entertainment line ups and exclusive private events.

Over the years, ABO has also performed at high profile events for leading luxury brands including Mercedes-Benz and Bugatti, further establishing his presence within Dubai's luxury lifestyle and entertainment scene. One of the defining moments of his career came when he was selected to perform the opening set for the Tomorrowland live stream event hosted at Terra Solis, placing him in front of a global electronic music audience.

His growing international recognition was further strengthened through a feature on Ibiza Radio, where his sound reached listeners beyond the Middle East. ABO's first remix also generated strong international attention, earning support from globally recognised artists including HUGEL during performances in Miami and at Coachella, alongside endorsements from MĚSTIZA, DJ GIGI, and several international DJs.
